# Young At Heart News & Notes

April 30, 2020

Hello Friends,

We hope you are all staying well and staying positive while following the Governor's mandate to stay at home until the end of May. These are very unusual times, but sunnier days are ahead.

Our **Young At Heart** summer newsletter will be **delayed**. With all of the theaters, restaurants, museums, gardens and businesses closed, we have not been able to plan any trips. That will change soon! We anticipate that there will be a "new normal" once we begin to re-open our doors. Please be assured that Linda and I will be here for you. As soon as restrictions are lifted, **together**, we will plan accordingly, adjust as needed, and look ahead to enjoying the summer that is just around the corner!

Here are some notes and dates that you should be aware of:

The **Westmont Park District Offices are closed until further notice**.

The main park district brochure for Summer 2020 is currently **on-line only**. These will not be sent out to the residents' homes. You can register now for programs listed in the guide.

Here is the trip information:

#### **LAKE GENEVA BOAT CRUISE**

It's going to be a terrific summer day in Lake Geneva! We will start with lunch at the magnificent, historic Baker Mansion. Enjoy a summer garden pasta salad, honey ham or turkey on grilled rosemary focaccia, homemade chips, and decadent Belgium chocolate mousse while taking in the exceptional view of Geneva Lake. We will also experience a short guided tour of the home with staff dressed in vintage clothing. After lunch, take time to just browse or shop at the numerous quaint downtown stores. There are many one-of-a-kind stores where you can find a perfect keepsake, expand your wardrobe or find something fun to accent your home. If you're not a shopper, take a short stroll along the lakefront. Then, we will embark on a splendid, 1-¼ hour narrated afternoon cruise. Sit back and relax as you take in the beautiful sights and historic homes. As a special treat, you will be served a delicious Wisconsin ice cream sundae while cruising on the lake. Invite your friends for this delightful day!
