SUMMER DAY CAMP

A summer day camp experience can be the difference between a good and a great summer for your child! Our counselors create an environment that is encouraging for all campers, whether they are new to camp, or returning for another summer of fun in the sun! This outdoor camp is held within Veterans Memorial Park and is considered a blast for any child who enjoys being outside, trying new things and being active. A daily schedule of cooperative games, crafts and activities helps every participant explore their own interests as well as discover personal strengths. Your camper will want to share their stories from exciting field trips, (one trip per week), swimming adventures (2 times per week), cool art projects and favorite group challenges. The campers are divided into two age groups; 6 & 7 year-olds are in group one, and 7 & 8 years-olds are in group two. During inclement weather such as extreme heat and/or rain, camp will be held in the Community Center building. Parents will receive a welcome letter before the program begins, outlining the daily operations of the camp and emergency information forms, which need to be filled out, signed and returned by the first day of camp. Remember camp creates memories that will last a lifetime, so sign up today!
