Tips

The dates are start dates, a Resident is welcome to also register 4/13, all day.

The link will be active on registration dates all day starting at 8:30am.

Each family does not need to sign up right at 8:30am

One group leader can select 4 spots if needed. If you have two groups it would be best to have another group leader select that second group of times.

The registration website has a spot to list who is golfing in the group together.

Selecting this time would mean your group will golf every Monday at 11:30am for the entire length of the program. June 7th just being the first day.
