

Memorial Tree Planting Program

The Westmont Park District is proud to administer a Memorial Tree Planting Program. Many varieties of trees can be purchased and planted in the park of your choice.

Trees can be purchased as a gift for a friend, for yourself or in memory of a loved one. A tree can also be purchased for a newborn to commemorate their birth year, and your family can watch as both grow through the years!

All trees purchased through the Memorial Tree Planting Program consist of tree planting, the mounting of a permanent plaque and a certificate of planting issued to the donating party. Trees can be purchased at any time throughout the year. **Planting will be done in Spring and Fall only.**

All trees are guaranteed to live for 20 years. In the event that a tree dies, a new tree (same variety & size as originally planted) will be installed by the Park District.

The trees available through the Memorial Tree Planting Program are listed below:

Shade Trees

General Characteristics: tall, deciduous trees with a large canopy, often exceeding 45 feet in height.
\$500

Evergreen Trees

General Characteristics: evergreens with needles which remain year-round, becoming large, beautiful specimens.
\$500

Ornamental Trees

General Characteristics: beautiful, showy flowers/fruit, interesting branch forms and attractive fall color. Available in 2" diameter and 7' tall clump.
\$400

Park locations available for the Memorial Tree Planting Program:

**Lions Park
Blackhawk Park
Oakwood Park
Fritz Werley Park
Sentinel Park
Lebeck Park
Rotary Park
Diane Main Park
William's Cove Park
Mertz Memorial Park
Veterans Memorial Park
Ty Warner Park**

The planting site and species of tree will be at the discretion of the Park District and the purchaser.

Trees may also be donated to the Park District, providing they meet approval by the Park District.
